**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic.net, an independent provider, because I get much better value and higher quality or service than a legacy carrier would ever provide.

I strongly support broadband competition because competition is American, and I love America.

Use you powers to expand competition, not reduce it.
